# ABOUT INDIA VISION INITIATIVE INC.

India Vision Initiative (IVI) came into existence in 2017 after few years of conversation and reflection between individuals who have a vision to see leaders and communities transformed in India and nearby countries. The initiative is registered as a 501 c 3 non profit tax exempt corporation in North Carolina. A board of directors passionate of our vision and mission provides oversight and guidance. We are grateful to our donors and prayer partners for being part of our journey.

## MISSION

Our mission is to educate, equip, and empower transformation across India by sharing monetary and human resources to generations of emerging leaders. We do these things grounded on the teachings of Jesus Christ and his invitation to make disciples.
